To Whom It may concern.

I am a registered Psychologist employed as Senior Psychologist at 'nicla' Psychiatric Hospital, Perth, Australia and work in private practice as a psychotherapist. I have been an ordained Catholic Priest working in the community of in a wide range of Pastoral activity. I have spent 3 months studying + experiencing at the Rajneesh International University in Poona, India in 1977-78.

From this experience I can say that I have personally been enriched by contact with Bhagwan Rajneesh + that his pre-eminence as a philosopher, theologian + psychotherapist, as well as a religious leader is truly + genuinely outstanding

Sincerely
