July 18, 1983.

All the religions in the world must be thankful to Bhagwan Rajneesh because even the preachers of these religions could not understand and teach them as Bhagwan Rajneesh has done it.

I believe, Rajneesh wants one and all to know **all** that is pure, religious and divine.

Being a Muslim by birth I have no hitch to say that the soul of true Islam lies in the voice of Rajneesh and not in the literature of Mullas.
