To whom it may concern

My name is Eldine Francoise van Limburg Stirum. It was our family which 300 years ago saved the throne of Prince Willem of Orange and the Netherlands. That is why our family is quite famous in Holland, many streets are names after us.

Even nowadays van Limburg Stirums are playing a role in the politics in the kingdom of the Netherlands.

I had a private education in Switzerland, a tradition of the family. A few years ago we were invited for a wedding of the Royal family in Belgium where for the first time in my life I got in contact with one of the disciples of Bhagwan Shree Rajneesh. I was very surprised by Bhagwan Shree Rajneesh's clearness about life, and attracted by it.

So later on I joined him in his ashram in Poona, India; I stayed half a year.

Being in the presence of Bhagwan Shree Rajneesh, my life totally changed. Dreams were replaced by reality. The Ashram the first day I walked in seemed like heaven, everybody so relaxed and happy.

It is a sweet dram which Bhagwan made true in the first time since mankind. It is not a bunch of idealists, nor a fairy tale. Bhagwan Shree Rajneesh is a religious teacher which is a fact that can't be ignored.

It is a Blessing for America to have him as a resident.

Yours sincerely,
