

I, The Undersigned Mr. N.M. Khataw is the Manager of Savings & Loan Kenya Ltd. I am also the Chairman of Bhatia Community Mombasa.

I came to know Bhagwan Shree through Dr. Gokani who is my neighbour. I was very happy to attend the weekly meditation classes at Dr. Gokani's house and this combined with various outings has helped me to go deep into Shree Rajnesh's teaching. I was also given many books written by Shree Rajnesh and this widened my knowledge.

Shree Rajnesh is international person and known throughout the world.

I shall be extremely grateful if the Government of U.S.A. allows this most renowned International man to stay in their country.

I wish all the success to Shree Rajnesh in his good-works done for the world community.

A handwritten signature in cursive, which appears to be "Shree Rajnesh".
