Comerio July 18, 1983

To whom it may concern,  
we want to let you know from our experience  
that Bhagwan Shree Rajneesh is an exceptional  
leader and a man of an infinite knowledge  
of science and culture.  
He has the highest consciousness man can ever  
achieve, so his presence is of a tremendous  
help for every country he is living in.  
With friendly greetings.
