We are the publishers of the French edition of Bhagwan's book I AM THE GATE.

Specialised in books about self-improvement and tendencies for a better human life, we have published books of some famous American therapists as Carl Rogers, Virginia Satir, Alexander Lowen, Dr. Carl Simonton, J.H. Foulkes, Zeka Moreno, Fritz Perls, Claude Steiner....

We decided to publish "I am the Gate" as we considered Bhagwan's approach in the field of improvement of the person, an original one and helpful.

We are also interested in his project concerning the ecologist experience of Rajneeshpuram Oregon.
