Dear Sir,

Re: Request for Granting of Permanent  
Immigrant visas to Bhagwan Shree Rajanish,  
in U.S.A.

I am a practicing Architect in Mombasa-Kenya and also associated with several social and spiritual society's activities here, namely Social Service League Mombasa, Theosophical Society of Mombasa, Brahma Samaj; Hindu Union-Mombasa etc. I know Bhagwan Shree Rajanish since 1968 personally and through his great lectures and books. He is a Great Religious and Spiritual Master who has a deep knowledge & thorough understanding about all spiritual and religious scriptures and religions of the world. He helps and guides several thousands of disciples and devotees in attaining peaks of Super-consciousness; ~~and~~ <sup>self</sup> realization of ~~oneself~~ a Eternal peace. Through his powerful and peaceful magnetic vibrations he is helping in creating Great platform and atmosphere for BUDDHA BUDDHA FIELD for the people to get Enlightenment. For the betterment of mankind such BUDDHA FIELD is very very useful and it is only possible in the Great country of U.S.A.

His lectures Audio and video tapes and books helps all the people of this world in getting

the true and Real knowledge about all Religions  
of the world.

The Universal Brotherhood and Universal  
understanding are increasing through His work  
Bhagwan Shree Rajanish's presence is great  
required on this Earth and in my opinion  
He should be protected and settled down  
in your Great country for the betterment of  
mankind where true democracy, freedom of  
thoughts and clear atmosphere for spiritual  
progress is prevailing.

Great spiritual and Religious <sup>enlightened</sup> Masters like  
Bhagwan Shree Rajanishjee comes on this  
Earth after so many ~~centuries~~ centuries who  
helps the mankind to be free from so many  
of their problems.

I personally request you to grant Bhagwan  
Shree Rajanish permanent visas in U.S.A.  
as He is doing Great work for the mankind  
and future generation.

Thank you.

yours faithfully  
and

Love from
