To Whom It May Concern =

Rajneeshism is my religion and Bhagwan is my Spiritual Leader. For the past four years he has made a great difference in my life, especially in my marriage. My husband, Sw. Shant John, and I have found greater depth in our love and more freedom and openness in our relationship than we ever imagined possible through Bhagwan's influence, love & compassion.

I feel very fortunate that I was able to make the spiritual pilgrimage to be with Bhagwan this July. How wonderful that he is with us in America; what a blessing!
