

Dear Sir,

I am 40 years of age,  
mother of 3 sons and after my  
graduation from University, have  
occupied various employments with  
travel agencies and finally at a major  
U.S. Bank (Ass. Representative Tehran  
and now own my own business  
since 1979.

I have been a disciple of Bhagwan  
Shree Rajneesh for the last two years  
and find that my path to him has  
been very enriching and brought me,

peace, love and serenity. Reading  
his books are a great asset and  
contain so much wisdom that one  
needs a lot of time and reflection  
to see and comprehend what he says.

He is indeed an enlightened master  
and when he is present you feel  
something extraordinary that it is  
difficult to describe.
