My name is Asha Nicholson and I am a jewelry designer. I want to talk about the extraordinary value of Bhagwan Shree Rajneesh in the world of esthetics.

I came in touch with Him through his books and videotapes of his lectures and also of his Community where they have a jewelry workshop among others.

The vision of Bhagwan Shree Rajneesh in regarding the body as a temple to care of in the most beautiful and loving way takes in jewels as a gift to the esthetic well being of our temple, the body.

I personally and professionally feel that the extraordinary insights of Bhagwan Shree Rajneesh have changed completely my life.

For all that I give my international support to Bhagwan Shree Rajneesh as a man of exceptional ability in the world of Art.
