To whom it may concern

I am José Ignacio Samper and my profession is artistic painter.

I want to declare all my gratitude to the extraordinary insight that Bhagwan Shree Rajneesh has contributed to my personal and artistic life.

I became acquainted to him listening to his lecture tapes. In them he has given me a new vision of Art as something not only sthetic but also spiritual, able of transforming a man into a channel of the Divine Beauty. My whole life has changed and I feel the urge to give my international support to the exceptional ability of Bhagwan Shree Rajneesh in Art.
