TO WHOM IT MAY CONCERN

My name is Jorge Pardo and my profession is musician. I play the saxophone in a orchestra.

I have been very influenced by the work of Bhagwan Shree Rajneesh.

In his books and vido tapes the glimpse of a new music from the depth of the spirit has stirred my heart.

From now on when I play the saxophone, no more I feel separate from it. We merge together like an unity.

I want to give Bhagwan Shree Rajneesh my international support as a man of exceptional ability in the field of Art which has changed my way of playing music.
