

Amsterdam 4.8.83

To whom it may concern.

Since 79 I am a disciple of Bhagwan Shree Rajne. By reading his books and listening to his tapelectures, I finally met him in Poona. He really touched my heart. After four months being with him, I left for Holland to live and worship in his commune and meditation centre in Amsterdam. After he entered into silence, his presence was even felt much stronger, more than only words.

In '82 and '83 I met him again in Oregon at the festival. It was so incredible to be so near to him, in all his loving grace and sit with him in silence during satsang. Merged by his energy and full of love after leaving him again.

Being back in Holland it didn't stop anymore. I feel his presence in all the worship I do. He is my lifeguard not by telling me what to do, but only by being with me. Even if he's thousand miles away, not able to see or hear him, I know he is with me and Jim with him. He's in my heart.

Yours Sincerely
