

Arnhem, 3-8-'83

To whom it may concern,

my name is Ma Uet Nisha and I'm living in Chaitanya Rajneesh Sannyas Ashram, Arnhem, Holland.

I would like to tell you how I became a disciple of Bhagwan Shree Rajneesh without seeing my master before.

My first connection with Him was through books. He wrote numbers of books and I couldn't stop reading them. All I encountered in life I could find in His books. Suddenly I found someone who knows and learned to love life.

In the meditation centre in the town I lived it was able for me to meditate every day. I learned to know some sannyasins and could see their way of living as a disciple of Bhagwan. Slowly I started to feel that He is my Master also. After doing some groups and coming closer to myself I came closer to Him and knew I wanted to be a sannyasin.

So it happened and He gave me a new name; Ma Uet Nisha, the most beautiful

A few weeks ago I was in Rajneeshpuri and saw my Master for the first time. He is just as graceful as I ever thought He would be. To be in this incredible place was as if a dream came true. People are living in harmony with nature, each other and themselves and Bhagwan made us do so.

He is the source of all. Only by being open and surrendered to Him such a commune is possible. Then there is no need for words anymore, all that happens goes beyond words.

Back in Holland He is near me. By doing my job, by eating, by sleeping, by celebrating all that life gives, He is there.

And I'm thankful for being able to live in the presence of the living Master;  
Bhagwan Shree Rajneesh.

with love,

Ma Veet Nisha
