

MA DIVYAM ANURATI - MIASTO RAJNEESH Neo-Sannyas Commune
53010 FROSINI (SI) ITALY

To whom it may concern:

I am a 25 year old sannyasin and I am living in a neo-sannyas commune in Italy. After a long period of trying to solve my personal problems, I visited Poona to make some therapeutic groups. I became a disciple of Bhagwan Shree Rajneesh in March 1981.

Back in Germany there was not a big change of my life on the outside. I went back to my hometown and finished my studies. But the meditations of Bhagwan Shree Rajneesh became part of my daily life and I felt that more and more joy, happiness, inner freedom and responsibility for myself was arising.

I am happy that I had the possibility to visit Rajneeshpuram this year and to see Bhagwan again.

To stay with him in silence let me feel the eternity and the beauty of life. For this kind of feeling no words are needed - it cannot be expressed in words.

The town of Rajneeshpuram is like an oasis in the desert. It is the place which gives many people the chance to meet Bhagwan Shree Rajneesh. As the last festival in July 1983 was showing many people are interested to visit Bhagwan in order to stay with him in silence and to get something very very deep which can change the quality of the daily life.

Faithfully,

Ma Divyam Anurati
