

OSPEDALI DI BOLOGNA - ENTE OSPEDALIERO REGIONALE
OSPEDALE POLICLINICO S. ORSOLA

Bologna 27 July 1983

To whom it concern

My name is Giovanni Damiani.

I am grown up enough, also on account of my studies for my degree in medicine and for the spiritual of my soul~~x~~ to be able to give my opinion on the great master Bhagwan.

I believe that He can help everybody and especially the sick person.

with many compliments
