To whom it may concern

I know about Bhagwan Shree Rajneesh through his books and through personal contact with his disciples.

My own life has become more open and more conscious through of his influence and in my work as a dentist I have become more sensitiv to my patients. With his help I managed to get out of a big crises in my privat life.

The outstanding personality of Bhagwan Shree Rajneesh, his ideas and his love are an extraordinary chance to bring about the peaceful transformation that the world so badly needs.
