Higashi-ku, Fukuoka-shi
Fukuoka-ken 813.
Japan.

To Whom it May Concern,

When I read the books of Bhagwan, I was fascinated with what He said.

I find that the meditation techniques that He teaches have a cleansing effect on me. K. KAM

I became His disciple on July 7th, 1983.

I feel Him in a very soft and gentle way, with gratitude.

Thank you

Kotaro Kamoda
