To whom it may concern

I have studied acting at the Academy of Acting in Zurich and worked at the Stadtheater Essen for two years. During those years, which made me known in this big German city, I came into contact with Bhagwan Shree Rajneesh. His teachings helped me develop my skills and my stage presence and gave me fantastic guidelines to work on my parts.

After those two fulfilling years I decided to be closer to my Master and came to live in Rajneeshpuram. I hope that you can accept that Bhagwan is helpful to many, many people through his exceptional and outstanding abilities and I wish that he can enrich the U.S.A. through his beautiful presence.

Love
