certifie que Bhagwan Shree Rajneesh ne peut être considéré que comme une personne d'exceptionnelle habilité pour transmettre le message religieux de toutes les grandes traditions de l'humanité dans leur expérience fondatrice.

D'un point de vue psychologique et philosophique, le caractère libérateur de son Enseignement ne peut que contribuer à la paix et au bien-être de l'humanité.

Le projet d'Oregon dans son esprit de respect pour l'environnement, par le travail désintéressé et efficace de ses nombreux disciples, peut servir de modèle pour l'avenir d'une civilisation menacée.

Les Etats-Unis, cette "terre merveilleuse de liberté et de démocratie", ayant toujours pris la défense des libertés religieuses, ne peut qu'accorder un "d'exceptional ability in science and art" à Bhagwan Shree Rajneesh, et accueillir dans la joie son message de paix et de transformation profonde de l'homme.

Fait à la Sainte Baume, le 24 juillet 1983.

certify that Bhagwan Shree Rajneesh can only be considered as a person of exceptional ability in transmitting the religious message of all the great traditions of humanity in their original experience.

From a psychological and philosophical point of view, the liberating character of his teaching can only contribute to peace and the well-being of humanity.

The project in Oregon in its spirit of respect for the environment, by the detached and effective work of his numerous disciples, can serve as a model for the future of a threatened civilization.

The United States, this "marvelous land of freedom and democracy", having always taken the defense of religious freedom, can only accord an "of exceptional ability in science and art" to Bhagwan Shree Rajneesh, and welcome in joy his message of peace and deep transformation of man.
