TO WHOM IT MAY CONCERN:

Dear Sirs:

At the present time I am an Assistant Professor of Psychiatry in the Health Sciences Faculty of McMaster University in Hamilton, Ontario, Canada.

I have known Bagwan Shree Rhaneesh for the past six years, ever since I visited his ashram in Poona, India. While there, I heard several lectures by him and in addition, have read at least six of his books and listened to audio tapes of other lectures that he has given.

I find that Bagwan Rhaneesh is a very extraordinary human being, not only in the incredible breadth of his knowledge of the world's great religions, but in his ability to transmit this information to those around him. He is an exceptional teacher and very clearly dedicated to the psychological and spiritual growth and wellbeing of mankind. I feel that it is indeed a great honour that Bagwan Rhaneesh is in North America and I look forward to visiting him at his North American Headquarters in Oregon in the near future.

I would like to express my appreciation and gratitude for the many things that Bagwan Rhaneesh has taught me and I do hope that he will be allowed to reside permanently in the United States.

Yours sincerely,

S.G. Eaman, M.D., F.R.C.P.(C)
