To whom several concerns

I know Bhagan Shree Rajmelsk for over 12 years. I first heard his lecture in Maharashtra mandal and I was impressed by his eloquence and erudition. I attended so many his lectures, translated his "sadhya" in Marathi and heard his complete lecture-series of IX and VIII cantos of shree Bhagwatgeeta. I dedicated ~~to~~ my book on Znaneshwari to him with a verse which became very popular.

शान्तिस्तान्मया परमानन्दाय ।

सद्गुरुसुखमेवाय रमन्तिशान्ते ॥

I ~~was~~ was the editor of "Yogdeep", a Marathi bi-weekly for 3 years. ~~(I depicted the thoughts of shree)~~  
For last 3-311 years I had lost ~~shree~~ touch with Bhagwanshree. But his teachings illumined the path of my life.

I conducted a magazine for children 'Anand' for 34 years and worked in A.I.R., Poona as a producer children's programme. Through Dugliya Family I came in contact with Bhagan shree
