TO WHOM IT MAY CONCERN,

I am a licensed Marriage, Family and Child Therapist in private practice in Ojai and in Ventura, California. I am a Clinical Member of the American Association for Marriage and Family Therapy and the past President of the Ventura County Chapter of the California Association of Marriage and Family Therapists.

I became acquainted with Rajneesh about five years ago through his many books.

I have studied many religions and Eastern philosophies and feel that his innate grasp of the quintessential truths that are common in all of the Eastern religions is truly extraordinary.

Rajneesh is a definite asset to the country both as a religious teacher and as a spiritual leader because he is able to effectively communicate his insights to his followers in ways that are unprecedented in our Western Culture.

I believe that it would be a great loss for all of us if he were not allowed to remain in the United States.

Sincerely,
