

SIDNEY A. COPILOW

Attorney at Law

169 Pier Avenue
Santa Monica, Ca. 90405
213 396-5931

July 18, 1983

To whom it may concern:

I am an attorney licenced to practice law in the States of Illinois, California and the Federal Courts and have been so for 20 years. I have served on various committees; judicial and community organizations.

I have followed the teachings of Bhagwan Rajneesh from his books and tapes for over five years. I have investigated Rajneesh Purem, the newest American city in Oregon and my conclusion is that he is a most exceptional human being. His work is inspiring and his city is a role model for future endeavors. His works concerning the sciences and the arts are exceptional. We must be privileged and grateful to have such a person in our country and to lose him by way of deportation would be a very sad event for our nation and would set a precedent that a free country cannot afford.

Sincerely,

SIDNEY A. COPILOW
