Rajneeshpuram, O

To Whom it may concern:

My name is Alfredo M. Gue and I have been a wife, mother, property owner, tax payer and registered nurse living in Connecticut since 1953.

My nursing career covered many areas including Head Nurse of the premature nursery at Hartford Hospital, Medical - Surgical ICU, as well as several years as Asst. Director of Nursing Service in a 350-bed acute care facility.

I graduated from St. John's School of Nursing, Lowell, Mass as well as Middlesex Community College (Assoc. Degree in Sciences) and a year at Southern Ct. State College.

I first became acquainted with Bhagwan Shree Rajneesh through His books, tapes of His discourses and meditating with a Rajneesh Meditation Center in (through this I experienced a profoundly moving experience where love for Bhagwan poured from my body and changed my life completely).

I became a sannyasin at the First Annual World Celebration on July 7, 1982, and am now a resident of Rajneeshpuram.

I am so grateful and happy for the incredible experience of living and worshipping in the presence of Bhagwan Shree Rajneesh.

To live in this community with Bhagwan and feel his love and energy is enough, no words are necessary.

Each day as Bhagwan drains by I am energized by His presence and love.

The presence of a teacher and spiritual leader of Bhagwan's extraordinary and internationally recognized calibre is a tremendous and valuable asset to the U.S.A.; and the catalyst for this incredible development of an oasis in the desert.

Sincerely;

Alfreda M. Gue
