To whom it may concern,

By this letter I want to express why I think Bhagwan Shree Rajneesh, my spiritual master, has to stay in America.

Visiting him here in Rajneeshpuram is something special for me. This is the place where I see his words being put into action, into reality.

The way we live, love, laugh together on the ranch, the way we worship, meditate, be in silence together, it's all because of Bhagwan being present here.

When I see him drive by daily, it is a moment of meditation, going inside, feeling his energy going through me. And I feel grateful to be with him here.

yours sincerely
