I am a Sannyasin of Bhagwan Shree Rajneesh. I am also a film producer and business woman. I have a great devotion to Bhagwan...and a great devotion to my work. In fact, the former is nurished by the latter...Bhagwan says, "Be in the World, but not OF the World." So, his teachings bring a new form to my work.

I certainly intend to visit Oregon to be with the Master as often as time and work permit. What He has to offer there always has a really rare quality that is seldom found anywhere in the world. I feel certain when the misunderstandings that surround Him are clear, it will be an obvious credit to this country and to Oregon to have him there. I DO NOT, however, intend to move to Oregon. I love California. I have two homes, and two businesses that are flourishing and dear friends who love and support my interests. I will visit the Ranch...but I intend to stay in L.A.!

Sincerely,

Kathleen Francis
