To Whom it may Concern;

I am a writer/artist, and am President of my own consulting firm. My work is known and has won numerous awards in my field including the prestigious "Clio" and the "Gold Medal" from the New York Art Directors competition. My work has also been published and written up in many books and magazines.

I know of Bhagwan Shree Rajneesh through his books and followers.

He is a man of exceptional ability in so many fields. And as a writer I am amazed at the artistic grace with which he imparts such remarkable wisdom. He is a great writer, healer, and religious leader. And his presence in America is definitely an asset to our country.

Sincerely,

Marilyn Katz
