To Whom It May Concern

My name is Charles Williamson. I am recognized as the top Black Male Model in the country, and I am also recognized internationally in my field, appearing in such publications as Vogue (American and Italian), Bazaar, Gentleman's Quarterly (G.Q.), Ebony, Essence, Esquire, Playboy, Playboy Fashion guide, Fashion of the Times (N.Y. Times), Washington Post, etc. I am represented by John Casablanca's Elite Modeling Agency in New York.

I came in contact with Bhagwan Shree Rajneesh through his religious books and tapes and was elated to find out that such a being existed.

The field that has been my life for the past twelve years is an extremely superficial and material one and leaves one feeling lop-sided and bewildered. Yes this is nice and still there's still something missing. Finding Bhagwan was for me finding the missing link. Bhagwan introduced me to the whole of life, the material and the spiritual supporting that both are necessities and both need to be fulfilled. My feeling is that he can inspire and help many more people in my field and any other, in this country and all around the world. Already he has reached many and given the chance, since this country is still the idol of the world, we all can learn from his unique Wisdom.

Sincerely,
