Declaration

About my person please see "Who is Who in World (4th. ed. 1978/79, p. 1009).

It is to confirm and to declare, that

Bhagwan Shree Rajneesh

is one of the most important spiritual leaders and religious teachers of our age. Based on the ancient sayings of e.g. Lao-tse, Buddha and Jesus Christ he is teaching by lectures, books (now more than 50 spread all over the world in many languages), and by his own example, that love instead of hate must rule human life.

I first met him in 78 and he convinced me. I know him as one of the best educated men I ever met, not only in religious affairs, but also in philosophy and history - and I know it very well, because I spent all my studies in about 30 years in this field.

Sincerely and truly

A. J. Gony
