To Whom it may concern -

I am a writer and producer and for six years, a member of BBC staff.

I have had, over many years, several close friends who are followers of Bapuwan Rajneesh and I have the highest respect and admiration for their way of life. I am in no doubt as to the integrity of his teaching.

It is my personal choice not to belong to any group, party or "church", but I feel strongly that

The sanyassin is intent on living more decently and in perfect peace.

The teachings are a fine ideal and the people I know and love who follow it, are people who always demonstrate and re-enforce the value of this aim.

Yours faithfully,

Wm. A. A. A.
