TO ALL WHOM IT MAY CONCERN.

Dear Sir,

I am an ex-member of the Italian Diplomatic Service, an author and an anthropologist, member also of the American Anthropological Association and of the American Association of Physical Anthropologists.

I have come to know that the Shree Bhagwan Rajneesh , the teacher of Tantric of Sufi heritage , have difficulties on obtaining the permission to reside in the United States of America.

He is the author of spiritual books which are of much help to the new generations, and his teaching is really liberatory.

I hope that the USA Authorities will grant the permission to Shree Bhagwan Rajneesh to reside in Oregon , so that he may work like he has done in India and in Italy, with greath success.

With kindest regards ,

Your truly ,
