To Whom It May Concern:

Bhagwan Shree Rajneesh is a spiritual leader of international importance. His words and ideas - and, indeed, his very presence - has helped millions of people.

Since Bhagwan has come to America, his teachings have created things of beauty and of benefit

to society. The Rajreshi  
commune in Oregon, which  
I have visited twice, is  
an incredible place, an  
example for the rest of  
the world.

I learned of Bhagwan  
through one of his  
meditations. I soon began  
buying books and tapes  
on his lectures in India.  
His message to the world  
is, I believe, very

important, and should  
be heard by the rest of  
the world. America is  
the perfect place for  
this to happen.

I am a writer-photographer  
for a computer software  
company, married with  
two children.

Sincerely,

Marvin H. Lincoln
