TO WHOM IT MAY CONCERN

It has come to my notice that  
BHAGWAN SHREE RAJNEESH is in America and is  
seeking United States' citizenship.

At the outset, as a senior member of  
THE British Psychological Society, I endorse his  
application with the highest of regard for  
his professional integrity and his outstanding  
ability as a therapist and lecturer.

His books and tapes of lectures are  
numerous amongst my fraternity and his  
positive contributions to the work in this  
field are enormous. Also, his help to people  
in need of psychological help has been invaluable.

It is an honour to wholeheartedly  
recommend him for continued residence and citizenship.

Sincerely

Simon Meyerson (M.A., B.)
