To Whom It May Concern:

I am a singer, dancer, and actress in Los Angeles, Ca.
I know Udana Power who is a great follower of Bhagwan. She is highly respected and loved by all who know her and her spiritual wisdom that sheds light on many peoples lives.

I am not familiar with all of Rajneeshs' spiritual principles, but what I do know is that there is a special spiritual quality in his followers. I see him as a spiritual leader even though he has been in a silent communion for two years.

Sincerely,

Rebecca Conley
