

To Whom it May Concern

I have been in the theatrical profession for 47 years & I have been a performer, actor, dancer, choreographer, Associate Producer of Documentaries & just finished Producing a T.V. Show for future consideration.

I just want you all to know that I know of Bhagwan Rajneesh for ~~the~~ the last few years from friends who have either been in his presence or have read many articles about him to me. Although I have never been in his presence I have felt it through them.

I thank you for reading this scribble letter as I am in a very hot area & it is difficult. But, I want to get this off to you as soon as possible.

Sincerely
Jon Mills.
