TO WHOM IT MAY CONCERN:

Living here and now in Rajneeshpuram is an exceptional being, an enlightened master, his name is Bhagwan Shree Rajneesh. Seeing Bhagwan daily overwhelms me with love and understanding. It is something like being washed by cool rains when hot, or drinking deeply when thirsty. It is laughter and tears. It is feeling the beauty of the blue sky, the clouds, the sparkling blades of grass; the joy of simple things. It is being in Love

Please support our efforts to have Bhagwan stay in America.

Sincerely and lovingly,

Swami Shunya Unmoda
