To whom it may concern:

When I came to live in Rajneeshpuram 15 months ago I was so excited so utterly thrilled that I could be so fortunate to have the opportunity to live in the presence of Bhagwan Shree Rajneesh. Living with Bhagwan has shattered my old way of living where a 40 hour work week seemed like something I had to endure for my livelihood and often left me drained and unfulfilled. Now I'm working 7 days a week from 7:00 am to 8:00 p.m. and feeling ready to do more, if needed, at the end of the day. I'm in the construction department here at Rajneeshpuram and I've had experience in every phase of construction from laying foundations to putting the finishing touches on a building. I knew nothing about construction a short 15 months ago and I fully attribute my fast learning to the environment of this Buddhafield. The loving and nurturing energy that is an everyday part of living in Bhagwan's presence has inspired me and opened me up to my own creative potential that I never knew existed. Now in his silent presence, the work I do, whether it be framing walls or putting up sheet rock, feels like an ex-

me to discover within myself. The work I do  
is 'nt really work at all in the old sense.

It's simply a returning of the love and gratitude  
I have for Bhagwan for all he's given to me.

Sincerely
