Dear Sir,

I am a medical doctor, with a private practice in Chesley, Ontario.

I spent 2 months at the Ashram of Bagwan Shree Rajneesh, in Poona, India, in 1980. During that time I attended his lectures, did meditation programs under his guidance, and studied meditation and spiritual topics.

I regard him as a unique man, a spiritual teacher without equal in the world today, a philosopher of tremendous depth.

I plan to attend his lectures, meditations and courses in the future.

Sincerely

A. ABELSOHN MD. CCFP.
