

Brussels, 7/27/83.

Sir,

I am a wife and a mother.
Professionally, I am a bilingual
secretary (French - Flemish).

I have worked for over thirty
years in different Belgian organi-
zations.

I have met with many problems
professionally as well as in my
private life and once I went
through a very heavy personal crisis.

All this has brought me to
the path where I met Bhagwan
Shree Rajneesh.

Since then I have gone through
a radical transformation. Thanks
to his teaching and his radiance
I have finally found the peace and
the balance I needed.

Nobody else, neither doctors nor
therapists had been able to help
me find this peace and balance.

So I must ask you to
grant Bhagwan Shree Rajneesh
the visa which would allow him
to stay in the United States and
to carry on his work for the well-
being of mankind.
