Dear Sirs,

Bhagwan Shree Rajneesh is a person of extraordinary knowledge in the arts and sciences, as his many enriching and enlightening books will testify. One has but only to open one of his books to see the proof.

Therefore, I sincerely hope that he will be granted a permanent visa to remain in the U.S.A. so that Americans can have the benefit of his genius and his understanding. I fail to see how this can be denied to so extraordinary a person, and this letter is to support the granting of a visa to him.

Sincerely,

Ms. Prem Hariharano, MSW
