

To whom it may concern.

It was with great joy that I learned that Bhagwan had taken residence in U.S.A. I always felt that the U.S.A. would be the proper place for Bhagwan, particularly since U.S.A. has always stood for the freedom of the individual and his creed or religion etc.

Your country has always been the leader of the free world and as such I feel it is the right thing for Bhagwan to be in your country for good.

Sincerely
