To Whom it May Concern, I am a disciple of Bhagwan Shree Rajmash; and took sannyas after he went into silence.

For guidance from my master, my religious leader I am able to go to the many tapes and videos recorded of his discourses; and for the deep contentment and communion with him and existence I need simply to open myself to his love. The question of whether or not he speaks words for my intellectual stimulation has nothing to do with this blessing.

For me Bhagwan's value as a religious leader is beyond description and I am deeply thankful for my connection with him.

Thanking you
