To Whom it may concern,

I became a sannyasin on the 3<sup>rd</sup> Jan. 1982 in Perth - Fremantle W.A. I was drawn towards Bhagwan firstly when I read a book called 'Neither this nor that' by Bhagwan. After a time I went to Perth where I was drawn to the Orange Centre in Fremantle because there seemed to be a great many opportunities for people to do many things and understand themselves through groups, Sufi dancing, tai chi .... I found the people there warm and loving and free of what I see as 'hang ups & restrictions' in other people. My energy was allowed to be expressed no matter what I was feeling, as I grew to love the people and so naturally Bhagwan also. I jump into it without thinking but through feeling. I Am grateful to Bhagwan

Yours sincerely

Ma Bodhi Swala.
