To whom it may concern

The Buddhafield I live in is called De Stad Rajneesh, a Neo-Rajneesh Sannyas Commune. I am a disciple from my master, Bhagwan Shree Rajneesh and I feel the Buddhafield I live in is a flowering place. This could not have happened without His love and wisdom.

For two times now I have visited Rajneeshpuram in Oregon and was surprised about what is happening there in His presence. Never and nowhere I have seen people so loving for what they are doing, what is build up. In absolute peace, violence is simply not known in Rajneeshpuram. Everybody is working very hard and very long, our work is our meditation, not something we have to do. The Buddhafield is a creation of Bhagwan Shree Rajneesh, I feel very gratefull for this opportunity not only for his disciples but for all people who came to know that we cannot go on like this in this world and want ~~to~~ to do a very positive step into their life.

I am for 4½ years Bhagwan's disciple and

was initiated by him personally. For  $1\frac{1}{2}$  year I participated in his therapy-groups, I did about 20 of these groups. Besides that I was present in Bhagwan Shree Rajneesh' lectures all this time, the lectures happened every morning in the Buddhahall in Poona (India) I participated in the every-day meditations and read his books

After  $1\frac{1}{2}$  year being in Poona (India) I went back to Holland where I continued my meditation by working in the Amitabh Rajneesh Meditation Centre.

I started singing in the Amitabh Rajneesh Music group a group of people who is making music during the festivals, evenings and meditations

We organised a big festival in Holland in april where about 4000 people came to visit. A big happening with lots of celebration and happy faces.

At the end 8 people were initiated into sannyas, an enornes energy happening wher Bhagwan's presence was felt all over the place. His energy is not limited to the place he is. Ofcourse the festival in Rajneeshpuram was the ultimate experience for all 15000 sannyasins and friends.

Is it possible to really look what is happening in Rajneeshpuram? It is a place, so creative, so loving, Bhagwan is in the right place there.

With love Ma Jolande Premo.
