To whom it may concern,

I'm a man of 27 years old and am living in the Sadhana-commune in Amsterdam. It's a commune of 60 or so people who are all sannyasins.

I'm here to grow.

I guess that's what living in a Buddhafield is all about.

Just like here in Amsterdam there's another Buddhafield in Central-Oregon, U.S.A. It's called Rajneeshpuram. It's the place where my master, Bhagwan Shree Rajneesh, is living. Of course, one day I hope I'm able to be there, to live there with him.

My life now consists of working in a hospital here in Amsterdam, where I serve coffee and tea for people working there.

That's my meditation.

I grow in it. Bhagwan says the ordinary life is the only life. And that's how it is for me.

Thank you and in love, Rob Zwemmer
