To whom it may concern,

Dear Sir,
my legal name is Sonja Port and I am
born at the 9th of June 1968 in Ingel-
heim / Rhein in Germany.
Since the 10th of June 1981 I am a disciple
of the enlightenment master Bhagwan Shree
Rajneesh, as a so-called Sannyasin.
My new sannyas-name is now Ma
Dhyani Bhawato. After my mother became
a disciple as well we went together to
the First Annual World Celebration in
Rajneeshpuram where I saw my master
for the first time in my life.
The fact that my English was too bad
made it impossible for me to follow his
lectures or to read his books. But since

I've been to the First Annual World Celebration something that we call a 'heart to heart connection' between me and the master was built which can actually not be told in words. It may be described as the 'pure joy of life' or 'the celebration and acceptance of life as it is'. This could only happen with the fact that Bhagwan does not talk anymore.

After the First Annual World Celebration was it for me clear that this kind of positive and lively energy cannot be held just by one person alone but by a whole commune of samyans or a so-called "liddrafield". I found 'my' commune here in Amsterdam in the Netherlands.

As all other children in my age I still go to school but with the difference that I see the normal work not anymore as work but as a worship which is my ^{religious} activity as a samyanin.

Much love , Ma Dhyam Bhawati
