To whom it may concern

My name is Prem Mariaugela (Lavetti Mariaugela). I obtained a teaching diploma for the primary school. At present I work as a teacher in a center for boys with psychological and physical handicaps; I am a disciple of Bhagwan Sri Pragnesh from the year 1978. This fact caused thin but deep changes in my life. I re-discovered a spiritual dimension that I had lost. Even if I am doing the same work, it happens now with more enthusiasm and I am very happy because my work can be helpful for the humanity and I am studying again for a specialization as a therapist. Even my relations have improved,

friendships are deeper. Since my
meeting with Bhagwan I have
much more serene and for this
I know, I must thank my Master
Bhagwan Shree Rajneesh. I hope I can
and stay in the United States.

Best regards

Prem Marjugal
