

To whom it may  
concern-

I am born in Italy 28  
years ago like JOE PAVANI  
and six month ago I  
am reborn in to the Bhope  
love like MA DEVA ANIL.  
To be reborn into his love  
is life in a different way  
full of love - Love is his  
message, and love  
is that I feel for every-  
dy and everything -
