

To whom it may concerne.

My legal name is BERGAMINI ANNA MARIA and my sannyas name is MA PREM ANNAMARIA.

I'm 37 years old and I work as a teacher of economics in a high school at Ferrara.

I took my sannyas on 19th August, 1980, and I know Bhagwan Shree Rajnaesh since 1979.

For me Bhagwan is a miracle. Before I could not even imagine that a man of such intelligence, grace and dignity could live on the earth.

This discover has given me a new trust in life and in myself too.
